

Memorial TREES

Celebrate a loved one
and help preserve and protect natural
heritage lands in your watersheds

- visit our website at www.quinteconservation.ca to celebrate a loved one
- or call our office at 613-968-3434
- or email us at quinteca@quinteconservation.ca

Your \$100 donation ...

... helps support existing forests in our region and contributes to the creation of new forested areas.

The name of the person in whose honour the donation is made will be recorded on the solid oak Memorial Trees plaque in the lobby of the Quinte Conservation Office.

Whatever the occasion, supporting Quinte Conservation's care of over 30,000 acres (12,000 hectares) of conservation lands and its Tree Seedling Stock Program is a very special way to honour an employee, friend or relative. You may make your donation to celebrate a birth, an achievement, an anniversary, a retirement, a milestone, honour a memory, or any other special event.

healthy community

WHO WE ARE AND WHAT WE DO

Quinte Conservation is a community based environmental protection agency; one of 36 Conservation Authorities in Ontario. Conservation Authorities are mandated to ensure the conservation, restoration and responsible management of Ontario's water, land and natural habitats through programs that balance human, environmental and economic needs.

We offer grass-roots conservation programs and services in an area of over 6,600 square kilometres that includes the watersheds of the Moira, Napanee and Salmon Rivers and all of Prince Edward County. We provide cost-effective environmental expertise to local communities.

OUR MISSION AND VISION

Our mission is to work with watershed residents in creating a sustainable ecosystem where people and nature live in harmony with continued economic prosperity and quality of life. Our vision is for Quinte Conservation to be the lead community environmental agency within our watersheds.

MEMBER MUNICIPALITIES

Representatives from each of the 18 municipalities within the watersheds serve on Quinte Conservation's Board of Directors. There is an Advisory Board for each watershed; Moira River, Napanee Region and Prince Edward Region.

PARTNERS

Quinte Conservation's primary partners in conservation are our 18 local municipalities. We also work with the provincial and federal government, community groups, trail and naturalist associations, landowners, service clubs, "Friends of" groups, local school boards and businesses.

HISTORY

Quinte Conservation was formed in 1996 with the merger of the Moira, Napanee Region and Prince Edward Region Conservation Authorities. More information on our history can be found on our website at www.quinteconservation.ca.
