

# Quinte Conservation is hiring!

## Watershed Monitoring Technician (2 Summer Positions)

### JOB HIGHLIGHTS

- Work at the QC head office in Belleville
- Hourly wage of \$16.90 for a 35 hour week
- Work from May 3 to August 20, 2021

Do you want to be part of a team that works toward creating a sustainable ecosystem where people and nature live in harmony?  
Are you passionate about the environment?

**Come and join the QC Team this summer!**

Application Deadline: February 5, 2021

#### What the Watershed Monitoring Technician does:

- Collect benthic macroinvertebrates in conjunction with the Ontario Benthos Biomonitoring Network
- Prepare for and complete monthly Provincial Water Quality Monitoring Network Sampling
- Conduct baseflow and streamflow measurements
- Perform data entry and summaries using Microsoft Excel and Microsoft Access
- Provide assistance to other watershed monitoring programs or other Quinte Conservation studies and projects as required

#### Do you have what it takes?

- Experience in conducting benthic macroinvertebrate surveys and the ability to identify benthos in the field
- Experience with surface water monitoring protocols
- Experience in collecting streamflow measurements
- Awareness of water safety & boating experience
- Excellent organizational skills to set priorities, monitor progress and react to changing circumstances
- Valid Ontario Driver's License

### How To Apply:

Apply by email with cover letter and resume to Human Resources, at [hr@quinteconservation.ca](mailto:hr@quinteconservation.ca). Include "Summer Jobs" in the subject of your email and the job title in your cover letter.

We thank all applicants for their interest. However, only those selected for an interview will be contacted.

Should you require any accessibility accommodation, please indicate this on your application and we will work with you to meet your accessibility needs.
