Addendum #2

This addendum has been issued prior to the closing date to provide revisions, clarification or supplemental terms or conditions. All revisions, clarifications or supplemental terms or conditions form part of the bid and contract documents and amends the original bid documents.

The effects of this addendum shall be included in the bid price.

All submitted proposals are required to acknowledge in a prominent location that ALL addendums have been fully accounted for.

1. A benchmark was set on the drumlin trail to the west of the sugar shack. The rock has been spray-painted orange. The elevation was 107.6m (CGVD28). An elevation of 102.84m(CGVD28) was found in the middle of the Ravine. Add 0.35 metres to the CGVD2013 value to get to CGVD28.
2. Quinte Conservation will be responsible for applying for and paying for any applicable permits. The contractor/consultant is to provide any required correspondence or documents required for approval.
3. Any trees that are felled can be left in place assuming the tree does not impede any existing pathways or any construction work.
4. The approaches to the boardwalk can be left as natural.
