Addendum #2

This addendum has been issued prior to the closing date to provide revisions, clarification or supplemental terms or conditions. All revisions, clarifications or supplemental terms or conditions forms part of the request for proposal and amends the original request for proposal documents.

The effects of this addendum shall be included in the proposal price.

All submitted proposals are required to acknowledge in a prominent location that ALL addendums have been fully accounted for.

- 1. Modify the response to question 14 in Addendum #1 posted on October 23, 2025. The question and revised response should read as follows:***

Could QC confirm if digital mapping figure outputs are required for each of combination of the five (5) hydrologic scenarios and seven (7) EA configurations?

Answer: No. Also refer to question 3 of Addendum #1.
