

Addendum #1

Request for Quote

For

Colebrook Dam & Milford Dam – Safety Booms

In the Township of Stone Mills & Prince Edward County

Addendum Posted:

July 28, 2026

Addendum #1

This addendum has been issued prior to the closing date to provide revisions, clarification or supplemental terms or conditions. All revisions, clarifications or supplemental terms or conditions forms part of the request for quotation and amends the original request for quotation documents.

The effects of this addendum shall be included in the proposal price.

All submitted quotations are required to acknowledge in a prominent location that ALL addendums have been fully accounted for.

1. Delete the current tender submission date of Thursday, July 30th, 2026 @ 1000hrs and replace with **Thursday, August 6th at 1400hrs.**
2. Colebrook Dam - Remove all references to installation of the Colebrook Safety Boom. This contract shall include the supply only of items 1, 2 and 4 as identified in sheets 1R4, 7R4, 8R4 and 10R4. Exclude items 5, 10, 11 as specified for Colebrook Dam. The materials shall be delivered to 512 Vanderwater Rd, Thomasburg, ON, K0K 3H0. Delivery timing must be pre-arranged with Quinte Conservation.
3. Milford Dam – full supply and installation is included for Milford Dam.
4. Milford Dam - A municipal property between 2995 and 3011 County Road 10 is a possible access point to the Headpond. Given the ground conditions, water's edge and waters depth, it is expected to be suitable for small watercraft only. This area is not to be used as a laydown area. Access shall be coordinated with the homeowner at 3011 County Road 10. Any damage must be rehabilitated to pre-construction condition or better.

5. Milford Dam - The bathymetry of the Milford pond is largely unknown. The channel depth in the middle of the boom was estimated to be 1.36m.
